"The only purpose of Non-Lethal Weapons is to incapacitate targets and change their behaviors." --NATO

After seeing their ongoing crimes , evil , terror and shamelessness when in my home, when in my work place, you all listed in here must take immediate and any actions , thanks.

Canada's internet and mobile providers, Rogers' Fido, YouTube Canada, filter and block what WHO, medical experts affirm about not good and full sleep for a long time must lead to all kinds of serious

irrecoverable mental illness.

You all must understand why all Canadian lawyers have refused my torture case for over 20 years. All PMs of Canada and Canadian governments refuse to take actions they should to stop them in Ontario, Canada; refuse to hand them , war criminals, criminals against humanity (according to ICC's "message" to me) over to ; refuse to immediately compensate me for their serious and unforgivable crimes.

Rays Gun, Heart Attack Gun (confirmed by 2 Canadian lawyers), EMF Hearing Jammers (confirmed by EMF experts and

related literatures), Microwave Weapons for attacking human hearts and hearing (invented by Canada and some professionals, being used by my neighbors.) , Sonic Weapons (used during G20 in Toronto, Canada, being used by my neighbors.) ...

Now again, we must force Canada to hand them and their superiors over to ICC and UN's Highest Court ; we must immediately force Canada to compensate me 1 billion dollars for their ongoing, serious and unforgivable crimes because I am still suffering what at least 4 percent of our people in some countries are suffering according to UN Human Rights Office , UN Human Rights Council and UN.

After UN, UN Human Rights Office, ICC Prosecutor "contacted " me, Canadian victim of torture / serious crimes, and after UN Human Rights Chiefs ' strong messages to Canada, they are committing madly terror, psychological torture, MK Ultra when I am home, in my workplace, when driving, which were disclosed by UN, EU, UN Human Rights Office and UN Human Rights Council several years ago.

By/after them, by/after implanted chips (how, why, when UN, UN Human Rights Office and Human Rights Council have them .) , plus by/ after repeated poison (how, why , where and female witness working for McDonald will be shown in

here) , they are attacking, remotely controlling my head, my heart, my hearing and my body with Rays Gun, Heart Attack Gun , EMF Hearing Jammers, Microwave Weapons.

"Canada a beacon for others but must keep its promises." , from UN Human Rights Chief.

1

I can't sleep now in my home. Actually, for 23 years I have hardly had one good and full sleep after I contacted UN, Amnesty International, IRCT...23 years ago.

2

Any time, they shut down any internets I am using when typing some sensitive words, such as, UN, ICC, Human Rights...They hack, block and intercept anything I am using and anything you can imagine, VPNs, browsers, email, apps, keyboard app ; they remotely control and remotely start everything I am having with IPs, MAC, and Bluetooth.

3

They put their dirty hands on/in my home. They bridge my home internet , install hidden cameras and stop my security camera in my home (confirmed by computer expert). They put their dirty hands on my cars, 3 cars.

EMF Hearing Jammers used in my home and workplace.
