Urgent!

UN, UN Peacekeeping, ICC and UN's Highest Court, UN Human Rights Office, UN Human Rights Council ( They both have everything I provided) , together, force Canada immediately to compensate me 1 billion dollars if Canada refuses to immediately hand them and their superiors to ICC and UN's Highest Court , why? 4 % of our people in some countries are terribly suffering what I am suffering in Ontario, Canada, according to UN Human Rights Rights and UN Human Rights Council.

Seeing their ongoing mad and serious crimes when in my home and when in my workplace disclosed by UN Human Rights Council , you all must force Canada to immediately compensate me 1 billion dollars if Canada refuses to hand them and their "superiors" over to ICC and UN's Highest Court with UN Peacekeeping , why?

After I sent you all this below recently, and after I sent my torture case 22 years ago because all Canadian lawyers have refused me and stated : " You have nowhere to go...".

"Now, right now, from backstageS without

connecting my cellphone to any internet  
or, WiFi, Canada, they are stopping me  
from inputting the correct link address  
below :

Office, USA Bioeffects of Selected  
Non-Lethal Weapons)

is to incapacitate targets and change their  
behaviors." --NATO

and, after UN , UN Human Rights Council  
( 20 years ago), Amnesty International, IRCT  
( 22 years ago), UN CAT ( 12 years ago )  
stood up for me, and after UN Human  
Rights Chief/ Office, and ICC Prosecutor  
contacted me recently,

Canada, all my neighbors, at least 5  
Philippine couples,

Neighbor3 ( from backstage, they stop me  
from uploading this photo by shutting down  
my mobile internet)

now 3 ones, who don't work at all for over  
23 years , those who are still gathering  
around and in my workplace, those who are

operating drones, special drones, aircrafts which are tracing and following madly me everywhere in Ontario, Canada ( UN, UN Human Rights Office and Human Rights Council have the photos and video about their drones, aircrafts.), those who are remotely controlling and remotely starting everything I have with IP, Bluetooth, MAC after power off , those who are putting their dirty hands on my 3 cars, and on my house, those who are hacking, filtering and blocking everything I am using and everything I have used, even their dirty hands on UN, UN Human Rights Office, UN Human Rights Council, ICC, International Bar Association, Amnesty International, IRCT which have spoken out and stood up for me.... are committing madly those

serious and unforgivable crimes :

2)

In home and in my worplace, EMF Hearing Jammers and Microwave Weapons are being used madly to attack and control my hearing ( confirmed by Indian EMF expert after experiments , you all have the evidence ) ; Sonic Weapons / Microwave Weapons are being used to cause serious tinnitus by my neighbors, which were used

during G20 in Toronto, Ontario, Canada to crack down on peaceful protestors,

5)

More evil and more serious than you can imagine

Madly, shamelessly, regardless of anything they, including Rogers' Fido, and, and... from backstage , hacked and are still hacking this photo about "The Biological Effect of EMF on the Human Body " - the 4th

IAMH General Assembly And WHO

IAMU General Assembly. And, WHO's  
conclusion several years ago, Canada...  
have deadly stopped me from contacting  
WHO

" modification of brain waves; change in  
time perception."

Or,

This is why all PMs, Canadian  
governments refuse to take actions for  
over 23 years .

Here are Canadian government's promise and UN's stance :

"Ending torture needs fresh commitment from every UN member state ."

"When the government violates any Canadian's charter rights, we all end up paying for it."

Once again, if Canada refuses to hand them and their "superiors" over to ICC and UN's Highest Court , must force Canada to immediately compensate me 1 billion

dollars for their ongoing evil, terror, and brutality because 4 percent of our people in some countries are suffering what I am suffering according to UN Human Rights Office and UN Human Rights Council.

Having this video below, I am not afraid of  
anything. It is time for  
"Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture ( which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra ( which was reported by all Canadian media several years ago ) , poison ( how and why "Canada..." repeatedly poison me, UN Human Rights Office has them. One witness shout :don't drink it, that coffee. ), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF Weapons ( "The Biological

Effect of EMF on the Human Body " - the 4th  
IAMU General Assembly ) . I am not alone  
and I need your help.
