Dear all listed in here,

UN Secretary-General

UN Security Council

UN Human Rights Council

UN Human Rights Chief/Office

UNs Peacekeeping

UN's Highest Court

ICC Prosecutor

After seeing their ongoing evil ,

shamelessness and brutality when home,

when in my workplace in Ontario, Canada,
Dear all listed in here, you must
immediately work together to immediately
fight against them not only for myself, but
for 4 % of our people in our world, from UN,
UN Human Rights Office , UN Human Rights
Council.

I have enough reasons to send you these
again because of what you can't imagine.

They are now intercepting any emails I am
using! They keep remotely starting all my
phones, everything with IP, MAC, and
Bluetooth when I sleep and when I work.
From backstages, they know what I will

send. So they hack and hide this file saved as PDF So, I can't find its path after saving . Afterwards, I find my saved file is 0, zero KB. That means I can't upload and send it to you all by file transfer. That means they are "afraid "of it. They refresh all webpages without stop.

Around 2 years ago, various investigators about all my neighbors , especially foreign ones, "What you can't see can murder you. " You all can realize what they are doing with EMF, Microwave, and Sonic Weapons (To cause serious tinnitus to damage human hearing used in Toronto, Ontario, Canada during G20). Please "Google" them to find

how serious and evil those Weapons are.

EMF Hearing Jammers confirmed by EMF experts and confirmed by the related literatures, are being used madly by my neighbors , at least 5 Philippine couples, who don't work at all for 22 years after I contacted UN, UN Human Rights Council 22 years ago, and after UN Human Rights Chief/Office, ICC Prosecutor contacted me recently , and by those who are gathering in and around my workplace. My hearing functions like a switch. Please imagine it. Actually, my hearing has been controlled. Only, only in my home and workplace , my hearing is , on, off, on , off...

This is not only psychological torture, but

terror, from UN Human Rights Council.

This is why they all are now living as my neighbors. This is why they are still wearing invisibility cloaks and hiding in my house, which were invented by Canada and other counties. Floor vibration sensors and safety alarms told me. This is why I can sleep now.

" Canada, my neighbors ...have stopped me from purchasing EMF meter by closing VPNs and shutting down my internets. Plus by bridging home internet (confirmed by computer expert) , they are committing madly cybertorture, from HRC.

("The Biological Effect of EMF on the Human Body " - the 4th IAMU General Assembly)

UN Human Rights Office to me : "Human Rights can not be compromised."

How and when they chipped me. UN Human Rights Office and UN Human Rights Council have everything. This is why they all are now living as my neighbors. Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about a few years ago) , MK Ultra (which was reported by all Canadian media several years ago) , poison (how and why "Canada..." repeatedly poison me at McDonald's , UN Human Rights Office has them. One female witness :don't drink it, that coffee.), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF

Weapons ("The Biological Effect of EMF on the Human Body " - the 4th IAMU General Assembly) . I am not alone and I need your help.
