Today 9:27 a.m.

Please send. Together, we can and must stop them in Ontario, Canada. Together, we must hand them and their superiors over to ICC because 3% of our people in some countries are suffering what UN Human Rights Office and Council have disclosed no matter how evil and brutal they are now when home, when in my workplace, when driving....after ICC and UN Human Rights/Chief contacted me recently.

Thank you all, ICC.

Former Philippine president was arrested over ICC warrant for crimes against humanity.

I have seen our world is not theirs, criminals against humanity, war criminals, torturers.

Canada seek justice for victims who were killed by missile; Canada donate millions to UN Human Rights Office. However,

For over 20 years, both Prime Ministers and Canadian government refuse to take actions to stop their terror, psychological torture, and MK Ultra, by all my neighbors, at least 5 Philippine couples (now 3

Philippine couples)....Force Canada to hand them and their superiors over to ICC at once.

"No government, no monarch, no leader can be viewed as free of accountability. No one should be above the law."

After seeing all including 2 attached files,
you will let those criminals against
humanity and war criminals in Canada ,
have nowhere to hide and nowhere to run.

Without some special help, ICC Prosecutor,

UN Human Rights Chief/Office will never and can't send their responses to my email box about their serious crimes in Ontario, Canada. Then, you can realize what are happening after their responses.

Those weapons of mass destruction, inhumane weapons have been used for over 20 years in Canada.

Meanwhile, their dirty hands are not only on my house, my cars, on everything I am using with IP, MAC, and Bluetooth, but on all UNs', Amnesty International, International Bar Association, International Criminal Court, Amnesty International, OMCT... 405ing, 404ing, 403ing, filtering and

firewalling...anything they can.

Sound Cannons to damage human hearing
by my neighbors, also used in Toronto,
Canada during G20

Microwave Weapons for attacking our
hearts , our hearing, therefore our brains
(Canada invented)

EMF Hearing Jammers (from EMF experts
and related literature)

Electronic Nervous Virus (by whistle
blowers of several years ago. Please
Google it and Startpage it.)

Rays guns can be used as heart attack guns (confirmed by Canadian lawyers)

Please take immediate and any possible actions to stop "Canada"'s ongoing terror, crimes against humanity and war crimes defined by UN Human Rights Office , UN Human Rights Council, and International Criminal Court. (what?) Force "Canada " to abide by all UN Resolutions for victims of torture.

"Prevention, Accountability, and Redress ".

"Canada a beacon for others but must keep its promises." , from new UN Human Rights

Chief.

All my neighbors, at least 5 Philippine couples, who don't work for over 21 years. They are using madly those inhumane weapons on my whole body, which were defined by UN, UN Human Rights Office as weapons of mass destruction many times. Not only when I am home, but, particularly but when in my workplace. They are

bridging my home internet (confirmed by computer expert) . They are still wearing " invisibility cloaks" and hiding in my house. UN Human Rights Office and UN Human Rights Council knew how I found them, by floor vibration lights.

One of neighbors couples , they both are still wearing invisibility cloaks and hiding in my house. Prime Minister and Canadian

government knew them and can't stop them.

Now, I can't sleep in my home because of the reasons you will understand after seeing all , including the attached files maybe you all received before.

Those who are still gathering around and in my workplace .

Their drones, "special " drones , aircrafts, and special vehicles are tracing me everywhere in Ontario, Canada . Why? For what? Please see what NATO disclosed.They are now filtered and blocked by Rogers' FiDo. UN Human Rights Office and UN Human Council have the photos and the video.

Their computer guys are following me everywhere I use public WiFi

UN Human Rights Office, UN Human Rights Council knew how they chipped me in my home when I fell asleep; they also knew how and why Mc Donald's cashers

repeatedly poisoned me. I asked Prime Minister of Canada and Canadian Government if they need one female witness who stopped me drinking poisoned coffee.

Due to their hacking and firewalling regardless of everything , 20 years ago I contacted , contacted them, ICC prosecutor and UN Human Rights Chief,no responses. Recently, with some special help, ICC prosecutor and UN Human Rights Chief respond to me as follows:

UN Human Rights Chief:

Or,

From these 2 attached files which I sent before to you all , you will see their evil, brutality, and terror.

Regardless of everything, they are stopping me from uploading these photos below , evidence to cover up their ongoing serious crimes in Ontario, Canada.

Having this video below, I am not afraid of anything. It is time for "Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra (which was reported by all Canadian media several years ago) , poison (how and why "Canada..." repeatedly poison me, UN Human Rights Office has them. One witness stopped me : Don't drink it.), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF. I am not alone and I need your help.
