Today 8:39 a.m.

Dear UN, please send this immediately to Prime Minister of Canada and his government ; force them to do 1, 2, 3. If no, you all together can deal with and fix it, I believe.

Without something special, I will never receive the email from ICC Forum which they sent recently.

Now, I can hardly sleep in my home after ICC prosecutor , UN/ UN Human Rights

Chief /Office contacted me recently due to their ongoing terror, torture, psychological torture committed by all my neighbors, who don't work at all for over 23 years.

ICC prosecutor , UN/ UN Human Rights Chief /Office contacted me recently. You can imagine what they are doing.

Here are two emails to Pmime Minister of Canada. Please send these 3 files below to him and his government.

When Canada faces or encounters threats, bully, or anything else, they will stand up and fight back like me ? Or, be a coward?

1) "1, 2, 3 no one left behind"

2) Send immediately

Or,

3) 2 PMs of Canada and Canadian government refuse to take actions to stop them

UN Human Rights Office /Council, UN Security Council, ICC Prosecutor , UN's Highest Court have File 1), File 3) in their hands about all my neighbors, at least 5 Philippine couples, now 3 Philippine couples, who don't work for over 23 years (because 23 years ago I contacted UN....) ; about those who are gathering around and in my workplace; about those who are operating drones, "special" drones, aircrafts which are tracing me everywhere, anywhere in Ontario, Canada.

All my emails, especially, secure ones, are being hacked , intercepted and online disabled; all VPNs have been disabled after ICC prosecutor , UN/ UN Human Rights Chief /Office contacted me recently.

If they don't commit such serious crimes, why are they hacking everything, anything I am using, that you can think of?

Now, madly , they are attacking my heart with Microwave Weapons in my home , in my workplace , and madly, they are attacking my hearing with EMF Hearing Jammers and Microwave Weapons in my home , in my workplace. They are murdering me. PMs and Canadian government know

very well about where I work and where I live.

When I put my hand around my heart, I can feel the pain in the back of my hand. Or, when I put iPad or something else around

my heart, my heart pain at once disappears.

Having this video below, I am not afraid of anything. It is time for "Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about 5 years ago) , MK Ultra (which was reported by all Canadian media several years ago) ,

poison (how and why "Canada..."
repeatedly poison me, UN Human Rights
Office has them. One female witness
stopped me : Don't drink it, that Coffee at
McDonald's.), death threats and attempted
murder by every possible means and with
all possible Non-Lethal Weapons, especially
EMF Weapons. I am not alone and I need
your help.
