Dear UN, UN Secretary-General, UN's
Highest Court, UN Human Rights Chief ,
ICC PROSECUTOR, UNs Peacekeeping, UN
Security Council , UN Human Rights
Council...

Without connecting my phones to any
internets, they still from backatages hide
and delete my 2 saved files below. File 1
and File 2.

That means they already know what I write
and what I do on my phones from
backstages.

Please force Canada to hand them in Ontario, Canada over to ICC and UN's Highest Court because Canada and 2 PMs refuse to take actions they should to stop those Canadian torturers, attempted murders, criminals against humanity according to ICC, UN Human Rights Office and UN Human Rights Council ; because 4 % of our people in some nations are suffering what I am suffering . If they refuse, please see my 2 files below and what UN Human Rights Office said to/ for me and to us.

After UN/UN Human Rights Office, ICC
Prosecutor recently securely responded
me ,

you all can imagine what they are doing
madly to me, to my body , to my any
facilities with IP, Bluetooth, MAC, to my car.

Canada, all my neighbors, at least 5
Philippine couples, who don't work at all for
22 years...those who are still gathering in /

around my workplace, are committing madly attempted murdering, psychological torture, terror, Cyber Torture (My neighbors are bridging home internet.) with EMF Weapons, Microwave Weapons, EMF Hearing Jammers, rays /heart attack guns...

EMF and their serious effects on human bodies

Several years ago, UN Human Rights Office encouraged all of us, including me, Canadian victim of torture, terror, and serious crimes, as follow: "Exposing" is the best way to protect Human Rights and fight against torture, evil, terror, war crimes, crimes against humanity in our world.

However, I don't know why

<https://standup4humanrights.org/en/contact.html> , or Canada, or who ever else are blocking me and stopping me from sending any messages to them for over 1.5 years by 403, 404, 405.

Please check what happened and what are happening because it is so important to us.

How to stop their ongoing terror, evil, brutality, shamelessness, torture, psychological torture, MK Ultra (reported by all Canadian media several years ago), attempted murdering with all possible Non-Lethal Weapons Canada are having when in home, when in my workplace in Ontario, Canada?

According to UN Human Rights Office's, "Exposing " is the best way to protect Human Rights....I am asking not only for myself , but for 4 percent of our people in some nations (frrom UN Human Rights Office and UN Human Rights Council) if you can make a video for my 2 files below and play it on UN TV so that all our people in our world can see it, so that all nations in our world can see it.

Although I am nothing but one " innocent" victim, and although English is not my mother language, we must work together to find better ways to fight against those and any torturers, attempted murderer, war

criminals, criminals against humanity , all my neighbors, who don't work for 22 years...in Ontario, Canada. Thanks.

Here is new UN Human Rights Chief's message to Canada.

"Canada a beacon for others but must keep its promises."

File 1

Their brutality, evil and ongoing crimes against humanity... you all can not imagine.

You all must immediately force Canada to hand them and their superiors over to ICC and UN's Highest Court and force Canada to immediately compensate me 1 billion dollars.

Canada, all my neighbors, one of at least 5 Philippine couples, who don't work for

over 22 years , attack madly and shake madly my brain and my heart with Microwave Weapons (invented by Canada and some Universities , Heart Attack Guns (confirmed by 2 Canadian lawyers) and related Non- Lethal Weapons when I fall asleep after ICC Prosecutor , UN, UN Human Rights Office/Chief contacted me recently and after I sent you all the photo, or the evidence a few days ago about "Non Lethal Weapons sales in Canada ". "The only purpose of Non-Lethal Weapons is to incapacitate targets and change their behaviors." ---NATO . Actually, I can hardly sleep now.

When I woke up at around 2:30 o'clock in

the morning, I "saw" from window my Philippine neighbor at once turned off their dim light. What those 3 Philippine couples have much in common are when I sleep they all don't sleep with their lights on. And, they are stalking madly me.

Canada and they immediately shut down my mobile internet when I uploaded this photo below: Philippine couple 3
