"Canada", all my neighbours, at least 5
Philippine couples, Canada's No.1 internet
and mobile provider, Rogers'
Fido...extremely don't like Amnesty
International, UN Peacekeeping, UN and UN
Secretary-Generals, UN Human Rights
Council because they are 405ing, 404ing,
403ing , filtering and firewalling them all.

Please send them below immediately to them because in some countries, around 3 % of their people are suffering what UN Human Rights Council and UN Human Rights Office have disclosed for our whole world.

If you all, listed at the bottom, are together, you must and can stop what they are still doing in Ontario, Canada although you all have stood up and have spoken out for me, not only for me for over 20 years.

After ICC prosecutor, UN Human Rights Office/UN contacted me with one special tool recently regarding holding those

criminals against humanity in Canada
accountable and abiding by all UNs'
resolutions for victims of torture,

ICC and UN Human Rights Office/UN

Canada' s No.1 internet and mobile provider,
Rogers' Fido has totally hacked my phone.
They at once shut down my mobile internet
when I type some sensitive words or use

some VPNs, or.... Their computer guys are tracing me everywhere I use public WiFi.

Meanwhile, they are committing madly terror, psychological torture, and MK Ultra (reported by all Canadian media several years ago) when I am home and when in my workplace. They are controlling and attacking my hearing, my heart, my head, my body with Microwave Weapons, EMF Hearing Jammers, "Electronic Nervous Virus" , by one whistle blower (chips + / repeated poison by McDonald's CashierS in Ontario, Canada, actually is also called "sensitizer " from one professor of California University .) and with all possible Non-Lethal Weapons, Weapons of Mass Destruction defined by UNs several

times and long time ago.

(United States Army Intelligence....

From this unit, you can realize how serious my situation in Ontario, Canada is and who those torturers are.)

With Microwave Weapons which "Canada" has invited , besides for attacking our hearts , what else can they do? Attacking our hearing to cause tinnitus and to damage our brain because our ear and our brain are connected, from experts.

Microwave Weapons which "Canada" has
invited for attacking heart

(The combined photo, right side one, tells
you how they cover up their serious crimes
with "blurring "technology when selecting
and uploading the photos, which was
confirmed by one foreign government.)

Meanwhile, I can sleep now due to the use of Non-Lethal Weapons by all my neighbors, at least 5 Philippine couples, who don't work for over 21 years. Actually, I have hardly had one good and whole sleep for over 21 years after I contacted UN, Amnesty International... UN, Amnesty International, plus IRCT, were the first ones to stand up for me. WHO and OMCT point out that bad sleep for a long time must lead to serious problems.

Meanwhile, they are 405ing, 404ing, 403ing, filtering and firewalling all UN's websites, plus IBA's. Their dirty hands are on my house, my room, my cars, and on any tools I am using with IP, MAC, and Bluetooth.

If they don't commit such serious crimes in Ontario, Canada, why are they doing these regardless of anything?

More evil than you imagine:

12 years ago, they forcibly injected me to chip me by wearing " invisibility cloaks

chip me by wearing invisibility cloaks
" and poisoning me in my apartment room.
UN Human Rights Office and UN Human
Rights Council have known that. This is why
their drones, aircrafts, and "special vehicles
" are tracing and following me anywhere
and everywhere in Ontario, Canada.

Having this video below, I am not afraid of anything. It is time for "Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights

deeply began to worry about 2 years ago) ,
MK Ultra (which was reported by all
Canadian media several years ago) ,
poison (how and why "Canada..."
repeatedly poison me, UN Human Rights
Office has them. One witness stopped me :
Don't drink it.), death threats and
attempted murder by every possible means
and with all possible Non-Lethal Weapons,
especially EMF. I am not alone and I need
your help.
