Prime Minister of Canada, Canadian government...have known my all neighbours' IDs, at least 3 Philippine couples.

But, they still wear invisibility cloaks,

<https://ibb.co/QHmDC4r> (invisibility cloaks)

enter, hide in my house and my house attic without using any doors to do everything possible, evil, and brutal. They keep attacking madly my hearing with Microwave weapons, Sonic Weapons; they keep attacking madly my head with rays guns, they keep attacking my heart with some microwave weapons confirmed by the University of Toronto, they keep committing terror, psychological torture, and MK Ultra.

Any of them can destroy your body and your life totally. I can't work and sleep normally for over 20 years. For 20 years, I have hardly had one good and whole sleep. In my work place, ...they commit madly terror, psychological torture, and MK Ultra , which were disclosed and reported by UN Human Rights Office, UN Human Rights Council and all Canadian media several years ago. Their drones, aircrafts, special vehicles are tracing and following me everywhere and anywhere in Ontario...Canada. UN Human Rights Office, UN Human Rights Council have the photos and videos about their drones. Some app exactly showed me who they are. For what? Do what?

How did I find it, how do I find it now? Both UN Human Rights and Human Rights Council knew it 10 years ago, by floor vibration "sensors ", and something else.

<https://ibb.co/Yh0TP1y> (Sonic weapons , they hack the Sonic weapons in "their " hands during G20 in Toronto, Canada .)

Fight for my life being threatened ; fight against ongoing terror, psychological

torture (which UN and UN Human Rights
deeply began to worry about 2 years ago) ,
MK Ultra (which was reported by all
Canadian media several years ago) ,
poison (how and why "Canada..."
repeatedly poison me, UN Human Rights
Office has them. One witness shout :don't
drink it.), death threats and attempted
murder by every possible means and with
all possible Non-Lethal Weapons, especially
EMF. I am not alone and I need your help.
