Today 8:13 a.m.

Before you all must receive what I sent about their serious crimes and ongoing evil in Canada. Now I send 2 new ones so that you all listed below work together to immediately fight those torturers, war criminals, criminals against humanity in Canada, and immediately force Canada to compensate me for ... not only for myself.

1

They do believe no one in our world can do anything about their terror, war crimes, crimes against humanity in Ontario,

Canada no matter how and what UN, UN Human Rights Office, UN Human Rights Council, UN Security Council, ICC Prosecutor, and International Bar Association stand up and speak out for me, for all of us.

So, when home, when in my workplace, when...in Ontario, Canada, they are committing madly what UN, UN Human Rights Office, UN Human Rights Council have disclosed for our whole world, for at least 4 % of our people are suffering those belows:

PMS and Canadian governments refuse to take immediate and effective actions to

stop their ongoing evil, brutality, terror ,
that is, war crimes and crimes against
humanity defined by ICC and by UN Human
Rights Office, committed by "Canada", all
my neighbors, at least 5 Philippine
couples, who don't work at all for 23 years.
You can realize what they are doing madly
to me, my body, to my cars, to my house , to
my phones after ICC Prosecutor and UN, UN
Human Rights Office contacted me recently
about their serious crimes.

Psychological torture, HRC

Forty-third session

24 February - 20 March 2020

Agenda item 3

UN Human Rights Office : Mind weapons,
MK Ultra, weapons of mass destruction by
UN Human Rights Office, and UNDIR.

UN : Implanted chips for torture,
psychological torture, and MK Ultra

How and when they chipped me. UN Human Rights Office and UN Human Rights Council have everything.

EMF Hearing Jammers confirmed by EMF experts and confirmed by the related literatures, are being used madly by my neighbors and by those who are gathering in and around my workplace. My hearing functions like a switch. Actually, my hearing has been controlled. This is psychological torture!

Non Lethal Weapons sales in Canada

From backstage, without connecting to any internets, they stop me from copying

these links addresses below. You can realize how serious it is.

I have to send them attached to you again because they are hacking everything I am using, and everything I am having.

After seeing their brutality, evil and ongoing crimes against humanity, you all must force Canada to hand them and their superiors over to ICC and UN's Highest Court and force Canada to immediately compensate me 1 billion dollars.

Canada, all my neighbors, one of at least 5 Philippine couples, now 3 ones, who don't work for over 23 years, attack madly and shake madly my brain and my heart with Microwave Weapons (invented by Canada and some Universities), Heart Attack Guns (confirmed by 2 Canadian lawyers) and related Non-Lethal Weapons when I fall asleep after ICC Prosecutor, UN, UN Human Rights Office/Chief contacted me recently and after I sent you all the photo, or the evidence a few days ago about "Non Lethal Weapons sales in Canada". "The only purpose of Non-Lethal Weapons is to incapacitate targets and change their behaviors." --NATO. Actually, I can hardly sleep now

sleep now.

When I woke up at around 2:30 o'clock in the morning, I "saw" from window my Philippine neighbor at once turned off their dim light. What those 3 Philippine couples have much in common are when I sleep they all don't sleep with their lights on. And, they are stalking madly me.

Canada and they immediately shut down my mobile internet when I uploaded this photo below: Philippine couple 3

They still wear invisibility cloaks and hide in house attic. Various alarms , floor vibration "sensors" , and something else told me. UN Human Rights Office and

told me. UN Human Rights Office and Council have everything now.

<https://ibb.co/QHmDC4r> (invisibility cloaks)

UN Human Rights Office to me : "Human Rights can not be compromised."

Canadian victim of torture : "Torturers, are virus, epidemic, the enemy of all humanity."

They, in Ontario, Canada extremely don't "like " UN, UN Human Rights Office/Chiefs, UN Human Rights Council, ICC prosecutor, UN Peacekeeping, Amnesty International, International Bar Association. (They all

stand up for me !)

Having this video below, I am not afraid of anything. It is time for "Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra (which was reported by all Canadian media several years ago) , poison (how and why "Canada..."

repeatedly poison me UN Human Rights

repeatedly poison me, UN Human Rights Office has them. One witness shout :don't drink it, that coffee.), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF Weapons ("The Biological Effect of EMF on the Human Body " - the 4th IAMU General Assembly) . I am not alone and I need your help.
