Today 8:43 a.m.

Canada's No.1 Internet provider, Rogers' Fido , from back stage is keeping deleting my saved file " After seeing what NATO , UN , UN Human Rights Office/Chiefs, UN Human Rights Council discloused..." It was saved onto my notepad. Before Rogers' Fido hided my saved PDF files by changing "path" from back stage so that I can't find and upload those files.

After seeing what NATO , UN , UN Human Rights Office/Chiefs, UN Human Rights Council discloused for all of us , you all ,

listed at the bottom of this request, must take all possible actions for what are still happening in Ontario, Canada .Please send, not only for myself.

+++++

Now, their computer expert is tracing me "everywhere" I use public WiFi.

Firstly, please see what crimes they in Ontario, Canada commit and how they covered up their seious crimes with one special technology disclosed by one foreign government about 10 years ago.

The combined photo below is that

"Canada"...covered up their terror , brutality,

and crimes against humanity when I uploaded and sent it to All UN's, International Criminal Court, and International Bar Association regarding how Microwaves Weapons affect and control our hearts. The left side photo is hacked one when uploading. The right side is normal one. Both brutality and evil !

Then, these 3 key Weapons have being used when in my home , when in my

workplace, even being used with regular and special drones. NATO: EMF , RF ...can be emitted onto targets from aircrafts, lower satellite. This is why their regular and special drones, aircrafts are tracing me everywhere in Canada. UN Human Rights Office and UN Human Rights Council have the photos and the video about their drones and aircrafts. I don't have to provide them again. Non-Lethal Weapons, EMF Hearing Jammers ( especially in my workplace ), "Electronic Nervous Virus" , by one whistleblower ( chips + / repeated poison by McDonald's CashierS in Ontario, Canada, actually is also called "sensitizer " from one professor of California University . )

"The only purpose of Non-Lethal Weapons  
is to incapacitate targets and change their  
behaviors." ---NATO

How and when they chipped me in my  
home ; How, why and when McDonald's  
CashierS repeatedly poisoned me , both  
UN Human Rights Office and UN Human

Rights Council have everything.

More evil than you can imagen are 1) destroyed my 2 cars, destroyed my new Nikon Camera; my new phone was lost in my home ....2) 404ing, 403ing, filtering and firewalling all UN's websites, plus IBA's 3) over 20 years I have hardly had one good and whole sleep in my home and I can't work normally every day in my workplace due to their ongoing terror and brutality regardless of the "advices " from 2 UN Secretary-Generals , UN Human Rights Council, UN Human Rights Office /Chief ( recently ), International Criminal Court ( recently )....4) Sound Cannon used by my neighbors. During G20, in Toronto, Ontario,

Canada, they dispersed protestors with it.

<https://www.ohchr.org/sites/default/files/Documents/Issues/Torture/Call/Individuals/ElectromagneticTorture.pdf>

From their bizzre and mad expression and behaviors ( 404ing, 403ing, filtering and firewalling all UN's websites, plus IBA's ), they do commit terror, psychological torture, and MK Ultra in Canada.

Having this video below, I am not afraid of anything. It is time for

"Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture ( which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra ( which was reported by all Canadian media several years ago ) , poison ( how and why "Canada..." repeatedly poison me, UN Human Rights Office has them. One female witness shout :Don't drink it, that coffee. ), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF. I am not alone and I need your help.
