Today 7:22 a.m.

If Canada refuses to hand them in Canada over to ICC and UN's Highest Court right now, and if you can't clearly see the photos as evidence for you , you all listed in here must force Canada to compensate 1 billion dollars to me immediately for their crimes, for at least 4 percent of our people in some countries. If no,...

After Rogers' Fido, Canada's another mobile and internet provider, from backstage, is hiding and filtering this file below so that I can't find it because they can change its

path.

They are now remotely starting all my phones after power off when I sleep in my home and when I work in my workplace. Imagine why?

They are now still bridging my home internet, confirmed by computer professionals.

They now , anytime they like, shut down my mobile internets when I input or do anything they "don't like ".

Now, I can't hardly sleep and I can't hardly

talk, hear, work normally in my workplace due to their ongoing terror, evil, brutality disclosed by UN, UN Human Rights Council, and UN Human Rights Office.

UN is having the literature or evidence about implanted chips, or similar things in human bodies. And, with them, what can torturers do to us?

Rogers' Fido is extremely , hiding and filtering madly this file from backstage after I save it as PDF. So, I can't upload it to file transfer.

Please send to Prime Minister of Canada, Canadian government , ICC , UN's Highest Court , UNS Peacekeeping and UN Human Rights Chief, UN Security Council, UN Human Rights Council ... because of their ongoing evil, brutality and terror in Newmarket, Toronto, Ontario, Canada.

Prime Ministers of Canada, Canadian government refuse to take actions they should to stop my all neighbours, at least 5 Philippine couples, now 3 ones, who don't work at all for 23 yearswar criminals and criminals against humanity according to ICC, Canada's No.1 media , various

investigators , especially foreign ones, "
What you can't see can murder you."

Prime Minister of Canada, Canadian
government...have known all my
neighbours' IDs, at least 5 Philippine
couples,

1. <https://ibb.co/wM9RBsk> (Rogers' Fido changed this address on my cellphone notepad from backstage 5 years ago.)

2. <https://ibb.co/5B7KBDL> (Rogers' Fido changed this address on my cellphone notepad from backstage 5 years ago.)

But, they still wear invisibility cloaks to

<https://ibb.co/QHmDC4r> (invisibility cloaks)

enter, hide in my house and my house attic without using any doors to do everything

possible, evil, and brutal. They keep attacking madly my hearing with Microwave weapons, Sonic Weapons and keep controlling my hearing with EMF Hearing Jammers ; they keep attacking madly my head with rays guns so that I can't hardly sleep ; they keep attacking my heart with some microwave weapons invented by Canada, confirmed by the University of Toronto, they keep committing terror, psychological torture, and MK Ultra. Any of them can destroy your body and your life totally. I can't work and sleep normally for over 23 years. In my work place, ...they commit madly terror, psychological torture, and MK Ultra , which were disclosed and reported by UN Human Rights Office, UN

Human Rights Council and all Canadian media several years ago. Their drones, special drones, aircrafts, special vehicles are tracing and following me everywhere and anywhere in Ontario...Canada. UN Human Rights Office, UN Human Rights Council have the photos and videos about their drones, special drones, and their aircrafts, which are marked as who they are by some apps. For what? Do what? Please see what NATO disclosed.

Invisibility cloaks, how did I find it, how do I find it now? Both UN Human Rights and Human Rights Council knew it 10 years ago, by floor vibration "sensors ", and something else.

<https://ibb.co/Yh0TP1y> (Sonic weapons , they hack the Sonic weapons in "their " hands during G20 in Toronto, Canada .)

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra (which was reported by all Canadian media several years ago) ,

poison (how and why "Canada..."
repeatedly poison me, UN Human Rights
Office has them. One female witness
shout :don't drink it, that coffee.), death
threats and attempted murder by every
possible means and with all possible
Non-Lethal Weapons, especially EMF. I am
not alone and I need your help.
