Today 8:57 a.m.

Everything is clear for everyone. Please send this to them at once because of their dirty hands and ugly "faces".

Before in Canada, they filtered , hacked UN, UN Human Rights Office, UN Human Rights Council, International Bar Association...

Recently after ICC prosecutor , UN Human Rights Chief /Office contacted me not by any regular emails, they are now 404ing 403ing all UN's websites in Canada.

Meanwhile, in my home and my workplace,
they are attacking , actually are controlling
madly my hearing with Jamming Devices .

Meanwhile, I can't sleep normally due to the
use of rays/pain guns by my neighbors.

Meanwhile. ...

NATO: "The only purpose for the use of Non-Lethal Weapons is to incapacitate persons and change human behaviors." They have been viewed as weapons of mass destruction by UN, UN Human Rights Office many times.

Possible Non-Lethal Weapons , such as, Conducted Energy Weapons, Rays /Pain Guns, Microwave Weapons, EMF Weapons...

With them, for over 20 years, in my workplace I can not work normally

everyday ; in my home I have hardly had one whole and good sleep. Canada , WHO, medical experts ,and international human rights deeply know that not good and enough sleep for long time must lead to neuron's irreversible damage, which can lead to Dementia, Alzheimer....

"Prevention, Accountability, and Redress " .

"Canada a beacon for others but must keep its promises." , from new UN Human Rights Chief.

The reasons why PM, Canadian government still refuse to take any actions to stop "their" (my all neighbors, at least 3 Philippine couples, who don't work for over 20 years...) terror, evil, and brutality are here:

With Sound Cannon , they are damaging madly my hearing which was used on protestors in Toronto, Ontario, Canada after ICC prosecutor and UN Human Rights Chief/Office contacted me recently by one special method. Actually, they , my neighbors, have used it on me for over 18 years when they become mad due to my

stand-up and speak-out .

Besides Sound Cannon, Microwave Weapons have been used by them to damage my hearing and brain (Brain and ears are connected, medical experts and professionals said so).

2) destroy target mentally

Several years ago, UN Human Rights Chief/
Office stood up and spoke out after
"Canada"...hacked and blocked my all
communications with UN Human Rights

Council, UN Human Rights Office,
International Bar Association, International
Criminal Court. ...If they don't commit any
such serious crimes, why are they still
hacking everything I am using , and
everything you can't imagine ? Meanwhile,
please see how they hacked my evidence.

Much more evil than you think:

12 years ago, they forcibly injected me to chip me by wearing " invisibility cloaks " and poisoning me in my apartment room. UN Human Rights Office and UN Human Rights Council have known that.

For what?

Office has them. One witness shout :don't drink it.), death threats and attempted murder by every possible means and with all possible Non-Lethal Weapons, especially EMF. I am not alone and I need your help.
