Why UN, ICC and UN's Highest Court must immediately force Canada to hand them over to you , and must immediately force Canada to compensate me 1 billion dollars for their unforgivable and serious crimes.

Realize how evil and shameless they are now.

Rogers' Fido and another Canada's mobile services provider , actually all of them, are extremely hiding and filtering this file from backstageS after I save it as PDF. So,

I can't upload to file transfer.They are now shutting down any internets I am using when I type something "important". They are intercepting any emails, even secure ones...

Please immediately send to Prime Minister of Canada, Canadian government , ICC , UN's Highest Court , UNS Peacekeeping, UN Human Rights Chief, UN Security Council, UN Human Rights Council ... because of their ongoing evil, brutality , shamelessness, and terror when in my home , in my workplace , and when driving, in Toronto, Newmarket, Ontario, Canada; and because they extremely don't "like"

them Why?

"Torturers and their superiors need to hear the following message" from former UN Human Rights Chief.

Here is new UN Human Rights Chief's message to Canada.

"Canada a beacon for others but must keep

its promises."

Prime Ministers of Canada, Canadian government refuse to take actions they should to stop my all neighbours, at least 5 Philippine couples, who don't work at all for over 23 yearsthose murders, war criminals and criminals against humanity according to ICC, Canada's No.1 media ; various investigators , especially foreign ones, " What you can't see can murder you."

Prime Minister of Canada, Canadian government...have known my all neighbours' IDs, at least 5 Philippine couples, now 3 ones, who are now attacking madly my hearing with EMF Hearing Jammers, and microwave weapons, including in my workplace, which Canadian government knows quite well.

But, they still wear invisibility cloaks,

<https://ibb.co/QHmDC4r> (invisibility cloaks)

enter, hide in my house and my house attic without using any doors to do everything possible, evil, and brutal. They keep attacking madly my hearing with Microwave weapons, Sonic Weapons; they keep attacking madly my head with rays guns confirmed by Canadian lawyers, they keep attacking my heart with some microwave weapons invented by Canada and confirmed by the University of Toronto, they keep committing terror, psychological torture, and MK Ultra. Any of them can destroy your body and your life totally. I can't work and sleep normally for over 23

years. For 23 years, I have hardly had one good and whole sleep. Medical experts and WHO testify that bad sleep for long time will lead to nearly all mental problems.

In my work place, ...they commit madly terror, psychological torture, and MK Ultra , which were disclosed and reported by UN Human Rights Office, UN Human Rights Council and all Canadian media several years ago. Their drones, special drones, aircrafts, special vehicles are tracing and following me everywhere and anywhere in Ontario... Canada. UN Human Rights Office, UN Human Rights Council have the photos and videos about their drones. Some app exactly showed me who they are. For what? Do what?

How did I find it, how do I find it now? Both UN Human Rights and Human Rights Council knew it 10 years ago, by floor and ceiling vibration "sensors ", and something else.

Having this video below, I am not afraid of anything. It is time for

"Final Account" .

<https://youtu.be/KgkG6N9tx3A>

Fight for my life being threatened ; fight against ongoing terror, psychological torture (which UN and UN Human Rights deeply began to worry about 2 years ago) , MK Ultra (which was reported by all Canadian media several years ago) , poison (how and why "Canada..." repeatedly poison me, UN Human Rights Office has them. One witness shout :don't drink it, that coffee.), death threats and attempted murder by every possible means

and with all possible Non-Lethal Weapons,
especially EMF Weapons ("The Biological
Effect of EMF on the Human Body " - the 4th
IAMU General Assembly) . I am not alone
and I need your help.
